**Mini™ Spindles \$50,
Premium woods start at \$65***

2" diameter whorl on a 9" shaft

NOTE: Shaft trimmed to 7 1/2" length on request.

Weight range: 14-30 g/.5-1.06 oz, depending on the wood. density

These mini-tornados are perfect for small projects and spinning on the go — put your Mini™ and fiber in a zip-lock bag, and you're ready for the road! Wood availability changes frequently, so ask what is in stock when you order.

Visit the searchable [Bosworth Spindle Group](#) at Flickr to see many of our available **Standard**
Mini™

woods including Bloodwood, Bocote, Bubinga, Canarywood, Cherry, varieties of Maple, Morado, Red Cedar, Red Oak, Pau Amarillo, Purpleheart, Mahogany, Walnut, and Zebrawood. Colors may vary by monitor; different boards have varying color intensities and grain.

Please ask for our **Premium Spindle list**.

This list updated 03 August 2018.

Restriction on Rosewoods (*Dalbergia* species): Due to CITES restrictions and required licensing on international shipping for Rosewood products, we will no longer ship spindles with any *Dalbergia* woods out of the US.

Want a shorter length? Our standard 9" shaft length can be trimmed to 7 1/2" on request and will take off about 1 gram of weight.

Ravelers: Please [E-mail me](#) for questions about our spindles or your orders; I have limited time to spend at Ravelry and your questions are important.

Note **wood preference** in Special Instructions box on Order page..

Shaft Options: Hand-turned hardwood shaft, \$20, in Bloodwood, Bocote, Cherry, Redheart, Rosewood, Kingwood, Morado, Teak Tulipwood, Walnut and other woods as are available. We do our best to finish these as quickly as possible; please allow at least 2 weeks waiting time once we have a whorl ready to finish
